Work in Progress

This drawing, the accompanying documents, and the information herein and therein (including all designs) is the sole property of Box Wood Architects LLC. Neither this drawing, the accompanying documents nor any such information shall be used for any purpose other than that for which such items were specifically furnished. Neither this drawing, the accompanying documents nor any such information shall be reproduced or otherwise used, without the prior written consent of Box Wood Architects LLC. All dimension and measurements are as accurate as can be reasonably determined. The contractor shall be responsible for verifying all dimensions, measurements and other actual site conditions before work is commenced. During construction, and prior to completion of construction, the contractor shall be responsible to report any discrepancy, inaccuracy or omission dimensions, measurements or other actual site conditions to all interested parties. Neither Box Wood Architects LLC nor any of its affiliates shall be responsible for any such discrepancy, inaccuracy, omission or any other site condition. The contractor shall be responsible to perform all construction, fabrication, procurement of equipment, installation and use of materials, in accordance with the best accepted industry practices, and all local, state and national laws, regulations and codes.
